KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in a sub-fund of a SICAV, which is an open-ended investment company constituted in Luxembourg.
- The Fund aims to achieve long-term capital growth by mainly investing in listed Equities of companies based in developed European countries. In pursuing this objective, the Fund seeks to generate total return through both capital appreciation and income from dividends.
- The Fund intends to recommend that dividends be distributed to Shareholders of all Dividend-distributing Equivalent Classes and Dividend-distributing Hedged Equivalent Classes. You should note that the declaration and/or payment of dividends may be made out of capital and may have the effect of lowering the net asset value of the Fund.

Refer to paragraph 1, paragraphs (a) and (e) of Appendix 4 of the Singapore Prospectus for more information on features of the product.

¹ The Singapore Prospectus and the Luxembourg Prospectus for the Fund are accessible at www.fundinfo.com.

Investment Strategy	
<ul style="list-style-type: none"> The Fund will invest primarily in listed Equity of issuers domiciled and/or having their principal place of business in European states. The eligible investment countries for the Fund is any country in Europe. Up to 10% of the Fund's assets may be invested in securities of issuers domiciled or having their principal place of business in non-eligible investment countries. The Fund aims to manage a carbon footprint (WACI) for its investments in corporate issuers that is lower than the Fund's selected index, as set out in Annex 4. The Investment Adviser evaluates and applies ESG and norms-based screening to implement exclusions at the time of purchase on corporate issuers, with respect to certain sectors such as fossil fuel and weapons. The negative screening policy applied can be found on Capital Group's website. Companies must have good governance practices. The Fund commits to maintain at least 10% in sustainable investments (i) assessed based on alignment of business activities with any one or a combination of sustainable investment themes focused on tackling global social and environmental challenges, as outlined by the UN SDGs, and (ii) which do not cause any significant harm to any environmental or social sustainable investment objectives. The Fund may use forward contracts for hedging and/or efficient portfolio management purposes. The Fund may also purchase unlisted securities, subject to relevant provisions of Annex 1. The Fund may enter into securities lending transactions by lending securities of its portfolio to brokers, dealers and other institutions that provide cash in USD, EUR or JPY currency or US Treasury securities as collateral in an amount at least equal to the value of the securities loaned. No more than 15% of the net assets of the Fund will be used for lending securities. The level of exposure to securities lending is generally expected to be less than 5% of the net assets of the Fund. For treasury purposes and/or in case of unfavourable market conditions, the Fund may also invest in deposits with credit institutions, money market instruments and units of money market funds within the meaning of the investment restrictions set out in Annex 1. 	Refer to paragraph (a) of Appendix 4 of the Singapore Prospectus for more information on the investment policy and strategy of the Fund.
