- Additional AML documents may be required in order to facilitate switching into a Fund that you are not already an investor in. You will be contacted if this is the case.

I/we can confirm that I/we:

- acknowledge that switching from one fund to another could give rise to realised capital gains which may be subject to tax under the capital gains provisions of the Income Tax Assessment Act 1997.
- have read and understood the latest Product Disclosure Statement and Information to be Incorporated by Reference, where relevant, of the Fund into which I/we are switching.
- have read and understood the declarations, conditions and acknowledgements contained under the heading “Effect of the Application Form” in the Information to be Incorporated by Reference document, where relevant and acknowledge and accept them.
- declare that all the details given in this Switch form are true and correct.
- confirm that my/our investment in the Fund is not made via a margin loan.
