

## Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

## Sustainable Emerging Markets Equity Fund - A

ISIN: LU0073229840, Base Currency: USD

**A fund of Morgan Stanley Investment Funds**

The fund is managed by MSIM Fund Management (Ireland) Limited, part of the Morgan Stanley group.

### OBJECTIVES AND INVESTMENT POLICY

#### Objective

- To seek to maximise total return whilst integrating environmental and social criteria.

#### Main Investments

- At least 70% of the Fund's investments will be in company shares.

#### Investment Policy

- The Fund will primarily invest in companies based in or carrying out most of their business in emerging market countries. The Fund will seek to invest in emerging market countries where economies are developing strongly and in which the markets are becoming more sophisticated. In extreme economic, financial or political conditions the Fund, for defensive purposes, may choose to temporarily reduce its emerging market investments below 35% of the fund's value.
- As an essential and integrated part of the investment process, the Investment Adviser assesses relevant factors material to long-term sustainably high returns including ESG factors and seeks to engage with company management teams as part of this.
- The Fund includes climate- and weapons-related exclusions alongside other sector/industry restrictions, including, tobacco, adult entertainment and gambling. For further details, please see the Fund's Restriction Screening policy on the Company's website ([www.morganstanleyinvestmentfunds.com](http://www.morganstanleyinvestmentfunds.com) and at [www.morganstanley.com/im](http://www.morganstanley.com/im)).
- The Fund will measure its performance against the MSCI

Emerging Markets Net Index (the "Benchmark") for the purpose of setting a geographical allocation of the countries the Fund will invest into. The Fund is actively managed the Investment Adviser has full discretion over the composition of the assets in the Fund. While the Fund will generally hold assets that are exposed to the Benchmark, it can invest in such components in different proportions, and it can hold assets which are not exposed to the Benchmark. Hence, there are no restrictions on the extent to which the Fund's performance may deviate from the ones of the Benchmark.

#### Other Information

- The Fund may invest up to 30% of its assets in investments that do not meet the above criteria. The Fund may invest up to 20% of its assets in China A-Shares via Stock Connect.
- Income will be included in the value of your shares.
- In relation to this Fund, "Sustainable" means that the Investment Adviser, in its discretion, integrates sustainable themes and ESG issues in its investment decision making.

#### Buying and selling shares

- Investors may buy and sell shares on every full banking business day in Luxembourg.

### RISK AND REWARD PROFILE

The risk and reward category shown is based on historic data.

- Historic figures are only a guide and may not be a reliable indicator of what may happen in the future.
- As such this category may change in the future.
- The higher the category, the greater the potential reward, but also the greater the risk of losing the investment. Category 1 does not indicate a risk free investment.
- The fund is in this category because it invests in shares of companies from emerging markets and the fund's simulated and/or realised return has experienced high rises and falls historically.
- The fund may be impacted by movements in the exchange rates between the fund's currency and the currencies of the fund's investments.

This rating does not take into account other risk factors which should be considered before investing, these include:

- The fund relies on other parties to fulfill certain services, investments or transactions. If these parties become insolvent, it may expose the fund to financial loss.
- Sustainability factors can pose risks to investments, for example: impact asset values, increased operational costs.
- There may be an insufficient number of buyers or sellers which may affect the funds ability to buy or sell securities.
- Investments in China involves a risk of a total loss due to factors such as government action or inaction, market volatility and reliance on primary trading partners.
- Investment in China A-Shares via Shanghai-Hong Kong and Shenzhen-Hong Kong Stock Connect programs may also entail additional risks, such as risks linked to the ownership of shares.
- There are increased risks of investing in emerging markets as political, legal and operational systems may be less developed than in developed markets.

## CHARGES

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

<b>Entry charge</b>	5.25%
<b>Exit charge</b>	0.00%

This is the maximum that might be taken out of your money before it is invested / before the proceeds of your investment are paid out.

Charges taken from the fund over a year

<b>Ongoing charges</b>	1.88%
------------------------	-------

Charges taken from the fund under certain specific conditions

<b>Performance fee</b>	Not applicable
------------------------	----------------

The entry and exit charges shown are maximum figures. In some cases you might pay less, you can find this out from your financial adviser.

The ongoing charges figure shown here is an estimate of the charges based on the current expense policy of the Fund. It excludes almost all costs of dealing in the Fund's underlying investments. The Company's annual report for each financial year will include detail on the exact charges made. This figure may vary from year to year.

The fund may charge a fee on purchases, sales or switches if it feels other shareholders will suffer as a result of the cost of the transaction. This fee will be retained by the fund for the benefit of all shareholders.

For more information about charges, please see the Charges and Expenses section of the prospectus.

## PAST PERFORMANCE

- Past performance is only a guide and does not guarantee future performance.
- Past performance has been calculated after the deduction of ongoing charges, as described above, but not the deduction of entry or exit charges.
- This share class was launched in 1997. The fund was launched in 1993.
- Past performance has been calculated in USD.
- The Fund measures its performance against the MSCI Emerging Markets Net Index.
